States which have designated a State agency under section 667 of this title to assist them—
(1) in identifying their needs and responsibilities in the area of occupational safety and health,
(2) in developing State plans under section 667 of this title, or
(3) in developing plans for—
   (A) establishing systems for the collection of information concerning the nature and frequency of occupational injuries and diseases;
   (B) increasing the expertise and enforcement capabilities of their personnel engaged in occupational safety and health programs; or
   (C) otherwise improving the administration and enforcement of State occupational safety and health laws, including standards thereunder, consistent with the objectives of this chapter.

(b) Experimental and demonstration projects
The Secretary is authorized, during the fiscal year ending June 30, 1971, and the two succeeding fiscal years, to make grants to the States for experimental and demonstration projects consistent with the objectives set forth in subsection (a) of this section.

(c) Designation by Governor of appropriate State agency for receipt of grant
The Governor of the State shall designate the appropriate State agency for receipt of any grant made by the Secretary under this section.

(d) Submission of application
Any State agency designated by the Governor of the State desiring a grant under this section shall submit an application therefor to the Secretary.

(e) Approval or rejection of application
The Secretary shall review the application, and shall, after consultation with the Secretary of Health and Human Services, approve or reject such application.

(f) Federal share
The Federal share for each State grant under subsection (a) or (b) of this section may not exceed 50 per centum of the total cost of the application. In the event the Federal share for all States under either such subsection is not the same, the differences among the States shall be established on the basis of objective criteria.

(g) Administration and enforcement of programs contained in approved State plans; Federal share
The Secretary is authorized to make grants to the States to assist them in administering and enforcing programs for occupational safety and health contained in State plans approved by the Secretary pursuant to section 667 of this title. The Federal share for each State grant under this subsection may not exceed 50 per centum of the total cost to the State of such a program. The last sentence of subsection (f) shall be applicable in determining the Federal share under this subsection.

(h) Report to President and Congress
Prior to June 30, 1973, the Secretary shall, after consultation with the Secretary of Health and Human Services, transmit a report to the President and to the Congress, describing the experience under the grant programs authorized by this section and making any recommendations he may deem appropriate.

Statutory Notes and Related Subsidiaries

CHANGE OF NAME

"Secretary of Health and Human Services" substituted for "Secretary of Health, Education, and Welfare" in subsec. (c), pursuant to section 509(b) of Pub. L. 96–88 which is classified to section 3508(b) of Title 20, Education.

§ 673. Statistics

(a) Development and maintenance of program of collection, compilation, and analysis; employers subject to coverage; scope
In order to further the purposes of this chapter, the Secretary, in consultation with the Secretary of Health and Human Services, shall develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics. Such program may cover all employments whether or not subject to any other provisions of this chapter but shall not cover employments excluded by section 633 of this title. The Secretary shall compile accurate statistics on work injuries and illnesses which shall include all disabling, serious, or significant injuries and illnesses, whether or not involving loss of time from work, other than minor injuries requiring only first aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(b) Authority of Secretary to promote, encourage, or engage in programs, make grants, and grant or contract for research and investigations
To carry out his duties under subsection (a) of this section, the Secretary may—
(1) promote, encourage, or directly engage in programs of studies, information and communication concerning occupational safety and health statistics;
(2) make grants to States or political subdivisions thereof in order to assist them in developing and administering programs dealing with occupational safety and health statistics; and
(3) arrange, through grants or contracts, for the conduct of such research and investigations as give promise of furthering the objectives of this section.

(c) Federal share for grants
The Federal share for each grant under subsection (b) of this section may be up to 50 per centum of the State's total cost.

(d) Utilization by Secretary of State or local services, facilities, and employees; consent; reimbursement
The Secretary may, with the consent of any State or political subdivision thereof, accept
and use the services, facilities, and employees of the agencies of such State or political subdivision, with or without reimbursement, in order to assist him in carrying out his functions under this section.

(e) Reports by employers

On the basis of the records made and kept pursuant to section 657(c) of this title, employers shall file such reports with the Secretary as he shall prescribe by regulation, as necessary to carry out his functions under this chapter.

(f) Supersede of agreements between Department of Labor and States for collection of statistics

Agreements between the Department of Labor and States pertaining to the collection of occupational safety and health statistics already in effect on the effective date of this chapter shall remain in effect until superseded by grants or contracts made under this chapter.

Editorial Notes

References in Text

The effective date of this chapter, referred to in subsec. (f), means the effective date of Pub. L. 91–596, Dec. 29, 1970, which is 120 days after Dec. 29, 1970, see section 34 of Pub. L. 91–596, set out as an Effective Date note under section 651 of this title.

§ 675. Annual reports by Secretary of Labor and Secretary of Health and Human Services; contents

Within one hundred and twenty days following the convening of each regular session of each Congress, the Secretary and the Secretary of Health and Human Services shall each prepare and submit to the President for transmittal to the Congress a report upon the subject matter of this chapter, the progress toward achievement of the purpose of this chapter, the needs and requirements in the field of occupational safety and health, and any other relevant information. Such reports shall include information regarding occupational safety and health standards, and criteria for such standards, developed during the preceding year; evaluation of standards and criteria previously developed under this chapter, defining areas of emphasis for new criteria and standards; an evaluation of the degree of observance of applicable occupational safety and health standards, and a summary of inspection and enforcement activity undertaken; analysis and evaluation of research activities for which results have been obtained under governmental and nongovernmental sponsorship; an analysis of major occupational diseases; evaluation of available control and measurement technology for hazards for which standards or criteria have been developed during the preceding year; description of cooperative efforts undertaken between Government agencies and other interested parties in the implementation of this chapter during the preceding year; a progress report on the development of an adequate supply of trained manpower in the field of occupational safety and health, including estimates of future needs and the efforts being made by Government and others to meet those needs; listing of all toxic substances in industrial usage for which labeling requirements, criteria, or standards have not yet been established; and such recommendations for additional legislation as are deemed necessary to protect the safety and health of the worker and improve the administration of this chapter.
